Interaction USA '08:

Military Christian fellowship leaders from Albania, Angola, Bangladesh, Germany, Honduras, S. Korea, Liberia, and the USA are expected to attend this year's Interaction USA program, which runs from 19 October to 2 November. If you want to receive near-daily updates from this program, contact the ACCTS office at accts@accts.org or call 1-800-487-8108.

Czech Republic: In September Earl and Sue Casner attended the 10th anniversary celebration of the military Christian fellowship of Czech Republic, where they encouraged and built up MCF members.

Indonesia: In late October Rick and Melissa Ryles and Dell McDonald will participate in the AMCF Indonesian conference, with the intent of encouraging the military Christians who have been beleaguered by religious oppression and national conflict.

Kenya: ACCTS co-worker Dickson Ogwang of Uganda represented ACCTS at the Pan African AMCF conference in Kenya in September.

Madagascar: In September Bill Lumpkin was in Madagascar helping develop the recently revitalized military Christian fellowship. Bill and Suzanne's main ministry is outreach to international military students in the San Antonio area, and since they have developed relationships with several Madagascar students over the years they have a special relationship with the MCF in that nation. During this trip Bill traveled to various army units with a chaplain (in a camper lent to them by the MCF president.) About 150 military personnel joined the new MCF! *Continued on page 2*
